Your Child's Mental Health: 12 Questions Every Parent Should Ask

Does my child...

- Often seem sad, tired, restless, or out of sorts?
- Spend a lot of time alone?
- Have low self-esteem?
- Have trouble getting along with family, friends, and peers?
- Have frequent outbursts of shouting, complaining, or crying?
- Have trouble performing or behaving in school?
- Show sudden changes in eating patterns?
- Sleep too much or not enough?
- Have trouble paying attention or concentrating on tasks like homework?
- Seem to have lost interest in hobbies like music or sports?
- Show signs of using drugs and/or alcohol?
- Talk about death or suicide?

If you answered yes to four or more of these questions, and these behaviors last longer than 2 weeks, you should seek professional help for your child.
